2. Bottom Width at Widest Part of Cart: _____
3. Top Length of Cart: _____
4. Bottom Length of Cart: _____
5. Height of Cart: _____

***Highly Recommend - Please submit photos of furniture for our reference**

Helpful Tips

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
