

COVERINI

Umbrella Cover

Please measure your umbrella following the reference diagram above. Please list exact measurements. All measurements should be provided in inches.

1. Height of Umbrella:

2. Bottom Width of Umbrella:

***Highly Recommend – Please submit photos of umbrella for our reference**

***Helpful Tips**

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
